The African and Caribbean Literature Bookclub (ACLB) is aimed at those people with cultural heritage (and others interested in the culture). The aim is to stimulate narratives about the different islands and countries and for people to share their experiences.

This book group will be scheduled for every 3rd week of the month on Tuesdays from 4pm-6pm. This month's book will be Minty Alley by C.L.R James. We will be able to provide copies for people to borrow for the group.
